Our Trip to Peamount Hospital

Clondakin Localise will be attending Peamount hospital on the 3rd of April. We are attending to visit long term patients and give them a small few gifts; an easter egg, a card will be given to all patients to wish them a happy easter and a small chicken to symbolise the season of easter.

All members will meet in Church ground at 1:30pm to arrive at Peamount at 2:30pm.

Thanks to are local community for supporting us in our present fundraiser so we could buy these eggs!

We will be proving some entertainment to the patients.

Gerry Simpson will organise some Irish dancing, Jack and Dean members of localise are going to play their guitars, the song they will play are going to be 'in Dublin's Fair City' and 'the fields of athernry'. Grace will play a few tunes on her saxophone and also Laura will sing a song.

All our Localise members are looking forward to our visit to Peamount.

From all at Clondakin Localise a very Happy Easter.
