The Localise team are industry leaders in Community Service Learning; they are a resource for you and your class. A member of the team can attend your lessons as often or as seldom as you deem necessary. However, there are certain key sessions within each programme that require the presence of a Localise team member. We will work closely with you and your school to ensure that a member of the Localise Team visits with the class on these occasions.

Class name: _____ Year group: _____ No. of students: _____

Day: _____ From: _____ To: _____

Day: _____ From: _____ To: _____

From time to time, Localise will use photographs of young people engaging in community service on the Localise website and for the Localise Facebook page. It is our policy that individual students will never be named or identified. If we *do not* have permission to use photos of your students, please indicate here:
