

## Christmas Cheer for Temple Street Hospital

The Localise and PricewaterhouseCoopers Programme brought 15 PWC staff and 40 young pupils of St. Laurence O'Tools Boys and St. Laurence O'Tools Girls schools together to spread a bit of Christmas Cheer in their local community. The young students decided to help the school of Temple Street Hospital, which looks after the education of the children in while they are sick. The young people were involved in designing and creating their own Christmas cards and with the support of PricewaterhouseCoopers staff, these cards were professionally printed in bulk and sold in the IFSC Market and the surrounding area to raise money for the hospital's school. Nearly 5 thousand cards were sold while everybody sang Christmas Carols and have a great time!

Localise & PricewaterhouseCoopers held a graduation event for the programme on the 11th of December. The graduation event was a great success, having Mr. Bill Cullen from The Apprentice as guest of honour for the night. The graduation was held in PricewaterhouseCooper's facilities and it celebrated the wonderful achievements of those involved in the programme. A cheque for €7,762.00 was presented to the Staff of Temple Street Hospital which were the proceeds of the fundraising carried out by the young people and the PricewaterhouseCoopers' volunteers on behalf of the hospital. Everybody had a great time and they all received a certificate for their hard work and dedication. We look forward to running the Localise programme with PricewaterhouseCoopers again!
