1.0 Introduction

This Child Safeguarding Statement provides an overview of the measures that Localise has in place to ensure that children participating in our programmes are protected from harm.

2.0 Nature of Service and Principles to Safeguard Children from Harm

Localise Youth Volunteering enables young people aged 11 – 18 to make a difference in their community by answering the call to help others. Through our programmes young people experience the power of giving back as they directly benefit those in need.

Localise has as its foremost priority the welfare and safety of its youth participants. We are committed to providing a safe environment for young people enabling them through their volunteer work to care in their community. Localise has a number of procedures in place designed to safeguard every young member involved in our programmes. Our staff and adult volunteers endeavour to ensure that children and young people are protected and kept safe from harm while taking part in any of the Localise Programmes.

Safe practice in our work is essential and Localise have the following procedures and guidelines for good practice, which govern our work:

- Mandatory Garda Vetting and Child Protection Training for all Localise personnel and adult volunteers.
- Localise Code of Good Youth Work Practice which applies to all Localise personnel and adult volunteers.
- Localise Health and Safety Policy
