

Localise Youth Volunteering Child Protection Statement 2025/26

1.0 Background

Localise Youth Volunteering enables young people aged 11 – 18 to make a difference in their community by answering the call to help others. Through our programmes young people experience the power of giving back as they directly benefit those in need. Localise has as its foremost priority the welfare and safety of its youth participants. We are committed to providing a safe environment for young people enabling them through their volunteer work to care in their community. Localise has a number of procedures in place designed to safeguard every young member involved in our programmes.
